FORT BRAGG RUN September 7, 8, & 9, 2018

Several ACC members made the annual run to Fort Bragg sponsored by Corie and Emil Cavagnolo. On Friday, we all met up at Granzella's Restaurant at 10:30 a.m. for a hearty breakfast, and Corie presented special prizes for some lucky members. Afterwards, we traveled on Highway 128 and into Fort Bragg. Upon our arrival, we were greeted by beautiful weather and clear, blue skies. We spent a pleasant time visiting with one another throughout the afternoon and into the evening. On Saturday morning, some folks leisurely visited the quaint towns of Fort Bragg and Mendocino. Others played mini golf across from the hotel. Later, we all dined at David's Restaurant and enjoyed a delicious meal along with a few rousing games of Corvette Bingo. Winners were awarded gifts courtesy of Corie and Emil Cavagnolo. Following our meal, we spent the rest of the early evening in the hotel gardens with croquet games, s'mores, and ice cream sundaes. As Sunday morning came, most of us headed back home, taking with us many fun and fond memories. Corie and Emil, thank you so much for all your time and efforts!

PARADISE POST

September 28, 2018

Excerpt article from Butte County Sheriff's Search and Rescue Team

The Butte County Sheriff's Search and Rescue Team would like to express our sincere appreciation to the Americana Corvette Club and Rick Kuntz, President of the Club, for the opportunity last week to discuss what our team does for the community, and for the Club's very generous donation of \$2,500 to our team.

These funds will help our team improve our training and resources, so that we can continue to serve the residents of Butte County with first class, professional level search and rescue services.

Our team is all volunteer and funded entirely by donations from community minded citizens and civic organizations. If you or your group would like to learn more about what our team does, and how we do it – please send a private message to this Facebook page, or you can reach out via email to the team at public@buttesar.org

ACC DONATES CHECK TO ORLAND FOOD PANTRY

On September 22, 2018, the ACC made a one-time donation of \$1,500 to the Orland Food Pantry. In attendance were Margaret Edmondson, Judith and Bill Keen, Corie and Emil Cavagnolo, and Judy and Rick Kuntz.

The Orland Pantry is a secular, IRS recognized, non-profit public charity which distributes emergency food and Christmas Baskets to those with limited financial resources. The Pantry is also listed in the Orland Emergency Disaster Preparedness Plan as a local food source in the event of a local/national disaster.

The Pantry distributes emergency food twice a week to families who are residents of Orland, including Capay, Artois, and Hamilton City. Boxes include three meals for 2 days for each family member (i.e., two breakfasts, two lunches, two dinners). Families are allowed to come in for food five times during the calendar year. During the 2-year period from January 2012 through December 2013, the Pantry provided food to make up at least 76,302 meals with 91.7% of these meals going to families with children, seniors, and elderly persons.

SALVATION ARMY ADULT REHABILITATION CENTER AND JESUS CENTER DONATIONS EVENT

by Dorothy McClure

On Saturday, October 13, we will meet our newest charity at the Salvation Army Chico Adult Rehabilitation Center at 10:00 a.m. to present our monetary donation. We will also take a tour of their facility and have a brief introduction by staff. Then we will go to the Jesus Center to present our annual monetary donation and receive a brief annual update, as well. Afterwards, we will go to Casa Ramos for lunch and social gathering. The address for the Salvation Army Rehabilitation Center is 13404 Browns Valley Road. The Jesus Center is at 1297 Park Avenue. Directions will be provided.

To ACC Members;

Since the Esplanade House is no longer one of our charities, I will obviously not be collecting the usual list of children for our annual donation of Christmas gifts. However, there are still 100-plus children in need of Christmas gifts. They continue to lack the support of some organizations. They will be relying mostly on giving trees, which they have depended on each year for the remainder of children not supported by organizations like ours. I met with staff organizing the Christmas donations to obtain this information and let them know I'm interested in donating to two or more children myself and have heard other members may be interested, as well. My expectations are not as high as in past years, obviously with the circumstances. But if there are any members interested (like myself) in donating a Christmas gift to a child in need, it would be very much appreciated! The gifts are strictly out of pocket. Many members have donated Christmas gifts to the children of the Esplanade House for all of the years we supported them as one of our charities. On behalf of the families and from the bottom of my heart, I thank you all, as you have made a difference in their lives. Please let me know if you are interested and I will be following up with staff and will have a plan for delivery. You can reach me at my cell phone 530-514-1577 or at home 530-893-5075. After 5:00 p.m. is best.

Thank you,
Dorothy McClure
ACC Charity Coordinator

IPAD NECK IS THE LATEST HEALTH ISSUE

With the increasing use of iPads, iPhones, and all kinds of other electronic devices, one should be informed as to how to prevent shoulder and neck strains. Creating a comfortable and safe environment for studying or working could prevent future injuries. The postures that users assume when using tablet computers can have implications for developing neck and shoulder symptoms. Here are a some suggestions to help you avoid unnecessary discomfort and to prevent iPad Neck.

Sit in a chair with back support.

As easy as it sounds, usage of tablets and phones often occur in places that don't offer any back support. Sit on a chair or a bench. Avoid places that will compromise your posture.

Use an iPad stand.

Use a stand for your device so it sits upright. Something as simple as a lap stand could save you the trouble and the discomfort.

Take frequent breaks.

Stand up, stretch, and take a little walk. Giving your back a break every so often will help keep your neck and shoulders pain-free. Remember, it is not the screen time but the posture that triggers the pain.

Holding your devices.

When holding your tablet or other device, keep it at eye level. Often alternate which hand you're holding the device.

HOW **NOT** TO WASH YOUR CORVETTE

Some Corvette enthusiasts will tell you about the two different types of Corvette owners: Drivers and Waxers. No explanation needed. Well, now there is a new group emerging: Youtubers. I never thought about standing on the roof of a sports car to wash it, but with the Corvette, it's kind of nice to know that you can if you wanted to.

13. **After many years of trying to find steady work , I finally got a job as a Historian...until I realized there was no future in it.**
14. **My last job was working in Starbucks, but had to quit because it was the same old grind.**
15. **SO THEN I TRIED RETIREMENT AND FOUND I'M PERFECT FOR THE JOB!**

Notes from the Prez

It was a fun-filled weekend at Fort Bragg, where a total of 19 cars made the annual trip. The weather was great, the folks were in good spirits, and it was nice to have a blue sky and cool weather for a change. Thank you Corie and Emil Cavagnolo for all your hard work putting together this event.

Three representatives from the Butte County Sheriff's Search and Rescue Team put on an interesting presentation for us at our September meeting before we presented our donation check to them. Dennis Schmidt, the Search and Rescue's Public Relations Officer, informed us on how they work together with the Sheriff's Department in their search and rescue operations. They are all very well trained and very dedicated to their work.

Margaret Edmondson has been diligently working on organizing the Christmas party for this year. Please let her know if you are planning to attend. Also, she will need to have the dinner paid for by our next ACC meeting (October 18). The cost per person is \$37.75. Please plan on joining us, as it's always a fun-filled event.

If you are interested in being one of the ACC Executive Board Officers for next year, please let the E-Board know. We will be voting at our November meeting. It would be nice to have some new people in as officers to bring in their ideas.

Each month when I put together the "Blast from the Past" column, I've noticed our club had a lot of fun events in the past. I wonder what we can do to make this happen more often these days. I encourage you to help us put together some more runs, even if they are for just a few hours on a Saturday or Sunday. For one of next year's goal, I would like us to have at least one event for each month if possible. I also want to encourage you to attend as many monthly meetings as you can and express your thoughts on what we all can do to increase participation and interest in our club turnouts.

Save the Wave

Rick K.

*** Please note: The raffle items you bring to our monthly ACC meetings helps to raise money for our charities. Thanks so much for your help, it is greatly appreciated!**

VP Ramblings

Hello, Everyone. The first thing I absolutely have to do is thank Corie and Emil Cavagnolo for another outstanding run to Fort Bragg. Taking Highway 128 was beautiful. I had forgotten how nice that drive is; the redwoods just went on and on for many miles. The weather was perfect and the Saturday afternoon get-together was special. What made it special was the fact we had several new members making the run and it was fun to get to know them better. Also making it special was the fact that we got to make our own ice cream sundaes with all the trimmings and I mean all the trimmings. Liz had two.

There is much excitement in the Corvette World, mainly with the unveiling of the 2019 Corvette coming soon and of course the 2019 Caravan to the National Corvette Museum in Bowling Green, Kentucky, in August. The first meeting for this event was held on September 18th (as announced by me at the August meeting and printed in the September 1st newsletter) It was decided by those in attendance to beat the rush and get to Bowling Green slightly ahead of the main event. There were several reasons for this. One of the main reasons was the fact it allows us to book rooms now at a reasonable rate in Bowling Green and a block of rooms have been set aside. This also allows those who want to go to Corvettes at Carlisle in Pennsylvania plenty of time to get there. There were several exciting ideas presented for the trip from Bowling Green to Carlisle. Some will be returning home immediately after visiting the museum. There is room for more people if you would like to join us, so please let me know if you are interested! This event only happens once every 5 years. Much more information will be coming about these items in the coming months.

Finally, I just want to say thank you to all of you for voting in a new charity and making the distribution of our funds to two additional charities this year a pleasant and rewarding success.

Q: When were seat belts first fitted to a motor vehicle?

A: In 1902, in a Baker Electric Streamliner Racer, which crashed at 100 mph on Staten Island!

Q: In January 1930, Cadillac debuted its V16 in a car named for a theatrical version of a 1920s film seen by Harley Earl while designing the body. What's that name?

A: The "Madam X", a custom coach designed by Earl and built by Fleetwood. The sedan featured a retractable landau top above the rear seat.

Q: Which car company started out German yet became French after WWI?

A: Bugatti, founded in Molsheim in 1909, became French when Alsace returned to French rule.

MEETING MINUTES

The September 20, 2018, meeting of the ACC was called to order by President Rick Kuntz at Logan's Roadhouse in Chico at 7:00 p.m.

The meeting started with a presentation from the Butte County Sheriff's Search and Rescue Team members: Dennis Schmidt, Public Relations Officer; Janice Rosene, Secretary and K9 Handler for her dog Eris; and Esther Abshire, K9 Handler for her dog Journey. They answered questions, showed a promotional video, as well as video of a live rescue of an injured Phantom Falls hiker. They have 42 active members, who are all volunteers. The BCSR participates in water, snow, land, over-the-edge, and fire evacuations. After the presentation, Rick Kuntz presented Dennis Schmidt our donation check of \$2,500. The regular raffle and 50/50 raffle followed.

Sergeant at Arms Corie Cavagnolo reported there were no new members nor guests present. There were 24 members present at the meeting. \$4.00 in badge fines had been collected. Also, Corie conveyed the importance of our own raffle prizes which help pay for our incidental expenses such as post office box rental, car show insurance, etc. She suggested gift cards from restaurants, Home Depot, and Lowes, as examples of raffle prizes, as well as giving candles, auto part stores, or garden accessories. Raffle prizes can range in price from \$10 to \$20.

Secretary Liz Henton read the minutes of the August meeting. Julie Marron corrected the count on the Black Hills Run; there were 12 people, not 9 as previously indicated. There was some discussion regarding the minutes before Eileen Ledbetter made a motion to approve the minutes as corrected by Julie, and Corie seconded the motion. The motion passed.

Treasurer Sharon Brent was absent from the meeting, however, she made arrangements for the report to be distributed at the meeting. Our current balance is [REDACTED] The regular raffle brought in \$86.00, with the 50/50 raffle bringing in \$22.00.

Vice President Ernie Henton publicly thanked Corie and Emil Cavagnolo for again doing a great job in sponsoring the Fort Bragg run.

Newsletter Editor Judy Kuntz read an email from Dorothy McClure. Dorothy will continue the tradition of providing Christmas gifts for the children of the Esplanade House. There are over 100 children in need of gifts. If you are interested in helping with the children's Christmas gifts, please contact Dorothy at 893-5075 (after 5 p.m.) or 514-1577 (her cell phone).

Webmaster Dave Nunley was not present. However, Rick Kuntz announced Mary Helen Hughes has graciously accepted to be our new Webmaster.

Old Business:

Ernie Henton gave a recap of the Concours d'Elegance. Ernie, Bill Keen, and Gary Crane attended, and Bill took first place for his beautiful C5.

Ernie gave a recap of the Coos Bay run. Three cars went, drove Highway 299 to Eureka, stayed the night, and traveled up the coast. The car show was extremely small compared to previous years, with only 40 to 50 'Vettes participating. The Pacific Coast Corvette Club members did an outstanding job with the homemade goodies at the BBQ, the raffle prizes, and the beautiful poker run drive.

MEETING MINUTES, CONTINUED

Rick Kuntz gave a recap of the Fort Bragg run. There were 19 Corvettes. We had breakfast at Granzella's Restaurant and drove through the Alexander Valley under clear skies into Fort Bragg. Thank you, Corie and Emil.

New Business:

Rick Kuntz announced we will make our \$1,500 check presentation to the Orland Food Pantry on Saturday, September 22, followed by lunch at Round Table Pizza.

Also, Rick announced the \$7,800 check presentations to the Jesus Center and Salvation Army Rehab Center will occur on Saturday, October 13, at 10:00 a.m., followed by lunch at Casa Ramos.

Rick Kuntz announced Biggs High School is looking for Corvette participation in the Biggs Homecoming Parade on Friday September 28. Lineup at 2:30 p.m. at the Biggs Pool. Let Rick know if you are interested in helping with this event.

Margaret Edmondson announced the Christmas party is December 1, from 5 p.m. to 9 p.m. The location is at Butte Creek Country Club, and the cost is \$37.75 per person. Plans include a game of Bunco but no gift exchange. Joanne Parsley has agreed to help with decorations again this year. Margaret needs your commitment by email to margaret1@peoplepc.com or phone (530) 865-4045 before the next meeting. She will collect money at the October meeting.

Rick announced we would like to have more Corvette runs. Plans are in the works for potential runs to the Depot in Magalia and the town of Mineral for lunch—more to follow.

Ernie gave a recap of the meeting for the 25th Anniversary of the National Corvette Museum Caravan. As a result of the meeting, plans changed and we are going to beat the rush by leaving one week earlier. The dates for Bowling Green, Kentucky, are August 15-18 and for Carlisle, Pennsylvania, are August 21-22. Next meeting to be announced. Any and all are welcome. Meeting adjourned at 8:25 p.m.

Respectfully submitted by Liz Henton, ACC Secretary

5 TIPS FOR HALLOWEEN CAR SAFETY

DRIVE SLOWER THAN NORMAL AND USE CAUTION ON CITY STREETS AND IN NEIGHBORHOODS.

PAY EXTRA ATTENTION TO CHILDREN WHO ARE NEARBY. IN THEIR EXCITEMENT, THEY MAY CROSS THE STREET BETWEEN CARS. CUMBERSOME COSTUMES CAN CAUSE THEM TO FALL UNEXPECTEDLY.

WHEN DRIVING ON A STREET THAT HAS MULTIPLE LANES GOING THE SAME DIRECTION, USE THE LANE TOWARD THE CENTER OF THE ROAD SO YOU HAVE MORE TIME TO REACT TO CHILDREN WHO MAY RUN OUT INTO TRAFFIC.

IF WALKING WITH CHILDREN ON HALLOWEEN, REMIND THEM OF THE RULES FOR PEDESTRIAN SAFETY. THEY SHOULD WALK AS A GROUP ON THE SIDEWALK. IF THERE IS NO SIDEWALK, HAVE THEM WALK FACING ONCOMING TRAFFIC. INSTRUCT THEM TO CROSS STREETS ONLY IN CROSSWALKS OR AT INTERSECTIONS.

WHEN DRIVING CHILDREN ON HALLOWEEN, BE SURE THEY ARE PROPERLY BUCKLED IN THEIR CAR SEAT, BOOSTER SEAT, OR SEAT BELT. REMOVE COSTUME ELEMENTS THAT INTERFERE WITH KIDS BEING PROPERLY RESTRAINED. IF YOU MAKE A PANIC STOP, SUCH AS TO AVOID HITTING A CHILD THAT RUNS INTO THE STREET, THE CHILDREN IN YOUR CAR COULD BE HURT IF THEY ARE NOT PROPERLY RESTRAINED.

Halloween Bash

By Pam Henning

Photos by Klaren Odor & Tim Leadbetter

Although not too spooky, the Halloween party was said to be fun by all who attended. We had a good turnout with twenty-four people and two dogs, or should I say bees, at the party.

We had many creative costumes. Mary Hoffman was voted the best costume, with her rendition of "Cousin It", from the Addams Family. The best pumpkin contest was won by Donna and Gary Green with their version of the drive-in burgers and sodas. Margaret Edmondson and Dorothy McClure each won a candy counting contest.

We were kept entertained with plenty of games — Gary Green won the bowling game, defeating our club bowling champ, Terry Dunn. The memory game was won by Joanie Rose, followed with a close second by Merritt Odor. Dorothy McClure's quick reflexes brought her first place in the Monster Mash competition. Terry Dunn finished first in the pumpkin golf tournament. Bill Henning won the balloon stomp.

After enjoying good food and company, the party ended with a scary around-the-room Halloween story. Of course, many Corvette stories were also shared. The party was great fun, but the planning committee — consisting of Jack and Margaret Edmondson, Donna and Gary Green, Merritt and Klaren Odor, Bart and Joanie Rose, and Bill

and Pam Henning — had just as much fun. We organized the party; we shopped; we set up on Friday afternoon; and then we took down and cleaned up on Sunday. A huge "Thank You!" goes out to all of these couples for all their time and help.
