SO MANY PEOPLE WERE INTERESTED IN DI'AN'S 'SPICY JALAPENO CORNBREAD'

And the good news is: she is willing to share the recipe:

Krusteaz Honey Cornbread Mix

I use 2/3 C WHOLE milk and 1/3 melted butter (not veg oil) as suggested on the back of the box. To this, for a **spicy cornbread I add a well drained can of chopped jalapeños and I place a cross section cut jalapeños (from a jar) on top of the batter in the pan so that each future cut has one on top. This is a warning to my guests that this cornbread is spicy. **When I make non spicy ones, I often add up to 1/4 C of honey to the batter. In this way, you not only increase the flavor but also the appearance of your cornbread. It will have a beautiful golden brown top. ****THANK YOU DI'AN !!****

"Thank you Bob & Cindy for hosting the Chili Cook-Off at your home"
