it's hard to believe when there is still snow on the ground!*

**"CAR SHOWS ARE POPPING UP EVERYWHERE" \*\*HERE ARE A FEW THAT ARE A MUST!**

---

Kool April Nites week-long event promises:

Miles of Classic Cars, Show N' Shines, Trophies, Food, Music, Dances ...and more fun than two teens in a rumble seat at the drive-in. 😊

As the event approaches, the public will be able to purchase presale tickets for \$8 at local Napa Auto Parts stores.

Admission to Kool April Nite's main event, Saturday's big car Show, is \$10 at the gate for the general public. Spectator entry is free to those 70 and older or 12 and under!

The Friday Nite Cruise, the other major highlight of this 9 day event is, of course, free to all spectators.

**\*\*Get your spot early because the sidewalks will be packed for this incredible parade of custom hot rods and restored classics!**

***\*\*The age cut off for vehicles to be registered for the show is 1979 and older. Vehicles must be in running condition, have current registration and be insured and legal to operate on a public roadway in California.***
